General CommentsCCO 314, SAMPLING AND TESTING A354 GRADE BD MATERIAL:
ITEM 53, TOWER FOUNDATION ANCHOR RODS GROUT MOCKUP:

There is no work in the field on these operations today by ABF. Crews at the Pier 7 warehouse are working an 8-hour shift 0700 through 1530. ABF is working in the field today on other operations. The other operations are not covered by this diary.

INSPECTOR OT REMARK:

Office 2 hours: ABF is working a shift at the Pier 7 warehouse area between 0700 and 1530, but I am in the field for only a portion of this time. I am in the office for various work related to A354 Grade BD bolts and rods, including researching details from the E2-T1 contract that are relevant for a proposed mockup of the tower foundation anchor rods. My shift is 0700 to 1730 and my OT is 1530 to 1730.
